

Sports Premium Funding 2015/16

Sports Premium funding is money is 'ring fenced' government funding, provided to primary schools to develop and encourage active lifestyles, to increase the quality and breadth of PE lessons and to increase participation in sport and PE, by allowing schools to buy in appropriate resources, expertise and support. Schools are able to determine the best use of money for their own school. The amount of funding we have received at St. Bede's is based upon the number of children on roll.

In our school we strive to promote healthy and active lifestyles and provide a wide variety of sporting opportunities for our pupils. Our Sports Premium for 2015/16 was £8320 and was supplemented by other grants/funding

What did we want to achieve?	How did we achieve it?	How much did we spend?	What was the impact of our actions?
To raise standards in PE and sporting ability and to encourage healthier attitudes to exercise.	Agreement with Durham School Sports Partnership-children took part in festivals, competitions, accessed high quality coaching Teachers provided with training, lesson plans and resources to enhance lesson delivery.	£5380	Every child in school was able to take part in competitive and non-competitive sport across the year Promoted/increased number of pupils taking part in active sport - including after school sports clubs such as golf, gymnastics and multi skills

	Co-ordinator conferences/staff INSET		<p>Staff upskilled and confidence improved in sports which were coached-athletics, cheerleading, dance and gymnastics</p> <p>Staff provided with extra support and resources to help deliver high quality PE lessons</p>
To vary the opportunities learning about healthy lifestyles	Durham school Sports Partnership bolt on activities- Smoothie bike and Hoop Starz hula hooping workshops	£150	<p>Children learned to use hula hoops correctly and the healthy benefits of using fresh produce to create smoothies.
