

# Weekly Dates Letter

Week commencing 21.05.18 Week 29

## SATs week at St. Bede's

It was SATS week last week and the children worked incredibly hard and tried their very best during the tests. We are so proud of Year 6 and Year 2.

On Friday Mrs Alderson, Miss Fletcher and Mrs Maitland took Year 6 to Pizza Hut as a much deserved treat. They all had a great time

Also last week, Class 4 had a visit from Graham Temby who came to talk about wildlife awareness and wildlife crime. This is part of the 'Junior Education' programme, which aims to educate children about a range of community issues and help to safeguard them.

On Friday we really got into the Royal Wedding spirit with special cakes at lunch time from Miss Embleton and royal wedding activities throughout the day. Reception class even held their own Royal Wedding! We had a great day.

We were delighted to see that Prince Harry and Princess Meghan are supporting 'Surfers Against Sewerage' as part of their charity work. We have worked closely with members of this charity to achieve our 'Plastic Free School' award and think they are great!

### Just a reminder

Could you please have all fathers day lunch requests back to school before Friday this week.

The children are really enjoying the curiosity garden but because of the nature of this play the children can get quite dirty. If you have any old men's shirts or cover ups could you send them into school so the children can wear them in the curiosity garden to help prevent them getting quite so dirty.

For those from Class 4 participating in Bikeability, the sessions will now only run today and Wednesday due to lack of numbers, so you won't need your bikes on Thursday or Friday.

Thank you

### Key dates
