HAVE A GREAT DAY!

St Bede's Happy News!

Dear St Bede's family,

We have now been in lockdown for over 12 weeks now. In some ways it has flown by and yet in others it feels like a lifetime! What a strange time it has been for us all. There have been so many difficult things for us to get used to during lockdown, particularly not seeing family or friends and also, for some of us, not being able to go to school. Some of our key worker children were exploring what they missed this week and we had a range of thoughtful answers from friends and family to the cinema.

However, there have also been many positives. For example, your garden may be looking beautiful, you might have taken up a new hobby, such as baking, or even found some lovely places to walk on your doorstep. People have pulled together and helped one another during lockdown like never before and neighbours have now become friends.

We would love to hear what have been your **best bits and worst bits of lockdown**. Please e-mail us at **stbedesrcvparents@durhamlearning.net** and we can compile some of these in our newsletter next week. Please do keep e-mailing your teachers with your work or just to chat each week too; they all really miss you and seeing your smiling faces and hard work is always the highlight of our week!

We are really excited for **welcoming some pupils back** on a part time basis next week and have been busy preparing school so that you are all able to be as safe as you possibly can be. However, we are also sad for those year groups we can't welcome back just yet. Over the next couple of weeks, **teachers will be making calls to all children who will not be in school to say hello** and hear your news and please do keep e-mailing, too!

Thank you once again to you all for your continued support and patience in these difficult times; we never ever imagined we would be apart for so long. Do remember, every day we are one step closer to this all being over.

Tread carefully,
Mrs Alderson and the staff
