

# Weekly Dates Letter

Week commencing 01.07.19 Week 9 Summer Term

## Weaving and Crafts at St Bede's

It was such a busy and happy week last week! We had a visit from CAFOD on Monday to inspire us to be Zero Hero's and reduce our carbon emissions to help people all over the world. Thanks to Mrs Whitfield who really inspired us!

On Tuesday our Year 6s celebrated their leavers' Mass with the other feeder schools in preparation for their transition to senior school. It was a lovely service.

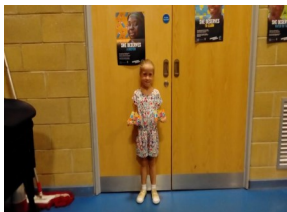

We also had a visit from some children from Framwellgate School who came to learn more about our plastic pledge and plastic free school status so that they can begin their own plastic free journey. They carried out a litter pick with our Eco-Warriors and left with lots of ideas!

On Wednesday we welcomed into school, three lovely ladies from the Durham Guild of Spinners. They worked with the whole school and showed them their craft and taught them how to make lots of different things with wools and threads. The children had a great day—thank you so much to Anne, Diana and Sue for being such wonderful volunteers.

Many thanks to you all for the kind donations of bottles and chocolate for our summer fayre.

Well done to Summer, who is our first pupil to read 300 books at home!
