

# Weekly Dates Letter

Week Commencing 21st October—Autumn Term Week 8

## Notices

We are looking for any old remote control cars/toys that may not get played with anymore but still work for our science/IT lessons. If you have anything like this that you no longer need please bring them into the office.

## Website

We are in the process of updating our website to represent our faith, community and the new curriculum. This will take a little while to build some of the new pages but please bear with us while we are under construction! All of our normal information will still be available during this time. We have added an updated letters page, where you can access all of the letters we send home along with some of our more used forms that you can download, fill in and email back to school for holiday requests, change of address/telephone numbers and your photo/video consent form. If you have any suggestions of things you may like to see, or would find helpful, on the website, please contact Mrs Brady in the office.

## Lunch Menu

Our new school lunch menu will begin on Monday 4th November with week 1. If your child would like to take school lunches please see Mrs Daynes and Mrs Brady in the office. As always if you would like to take packed lunches we require 2 weeks notice for this as the kitchen place orders fortnightly. If we don't have 2 weeks notice you may still be charged.

## Incident

Last week we had an incident with children getting on to the rooves of the garages behind school. We called the police and, on Friday, when the police came to discuss the incident, they were able to catch the children in question and act upon this appropriately. We have discussed the issue with our pupils and what to do if they see anyone climbing on the roof, plus the dangers of such behaviour. We would really appreciate parents alerting the police if they see any young people accessing school at any time when it is closed and informing us asap.

## Events for your diary

On Thursday 20th November we will have a phonics family learning session for the parents of reception and Year1 and those children in year 2 who will taking the phonics check again this year. Please see the letter we have sent out today for further details. Please try to attend this event.

The Book people Book Bus will be arriving in school on Wednesday morning at 8:00am and will be departing at 4:00pm. This will be a great chance to buy some early Christmas presents. The bus will be open to parents throughout the day.
