

# Weekly Dates Letter

Week commencing 25.03.19 Week 11 Spring term

## Cleaning up at St Bede's!

Last Monday our Class 3 took part in the School Sports Partnership Dance Festival at the Gala Theatre. The children performed fantastically! The children were awarded a certificate for the most energetic dance performance!

On Friday we held a non uniform day for our Mother's Day market, many thanks for all of the very kind donations you sent into school. We will still be accepting any donations up to Thursday.

On Friday our Eco Warriors held a spring clean, many thanks to the parents who gave up their time and helped out.

Please note that we do not break up for Easter until a week after most local schools. We will break up on Friday 12th April and return to school on Monday 29th April. If you are intending to take a holiday over the Easter period, you may find some bargains during the second week of the holidays. If however you will be taking your child out of school to go on holiday could you please complete a holiday request form before you go, these can be obtained from the school office or found on our website. Mrs Alderson can only authorise absences during school time in exceptional circumstances

Our first Mother's day Lunch for the Infants Classes and those Junior Mam's who opted to come this week, will be on Wednesday. It will take place in the hall at 12:00. We look forward to seeing you there.

### Right of the month

#### Article 27

Each child has the right of a standard of living that is good enough to meet their social, mental and physical needs

### Just a note

On Friday we will be holding our Mother's day Liturgy in the hall, everyone is welcome. This will be followed by the Mother's day market for the children who wish to buy presents for their Mam's. the presents will range from £1 to £5. the children should bring their money into school on Friday in an envelope, clearly marked with their name and Mother's day market and they will be taken to choose their present which will then be wrapped and sent home with them on Friday in time for Mothering Sunday.

If your child is on any long term medication for example inhalers or allergy medication, can you please let school know and provide the medication for us to be kept in school in case of emergencies. We will then create a medical plan for your child that will be kept up to date, yearly.

We will be taking part in a Blue Planet live lesson tomorrow at 2pm, because of our plastic free schools award, with the BBC, we are all very excited!
