St Bede's Happy News!

Dear St Bede's family,

We hope you are all well and staying safe indoors. We just have some messages from everyone for you this week as we look towards half term. But remember, we are still sharing lots of ideas on our Twitter account **@StBedeSacriston** so please keep checking this. Also our Twitter account can be seen on the home page of our website which is at **www.stbedessacriston.co.uk** if you do not have a twitter account.

We are still uploading lots of new resources to our website every week. This is on our website in 'curriculum and classes' on a new page called 'home learning.' If you have any suggestions of work that you may like to help or that you have particularly enjoyed, please do let us know. We have our parent/ teacher e-mail address so you can share your lovely work with your teacher, ask any questions you may have or simply say hi! The e-mail address is **stbedescrvparents@durham1 Mrs Alderson at st.bedes.rc.sacriston@durhamlearning.net** If you have a safeguarding concern, please telephone **03000267979** or e-mail Mrs Alderson via the confidential office e-mail address.

Thank you to parents for your continued support in these difficult times

Tread carefully,

Mrs Alderson and the staff

Hello Class 3! I hope you are all well and have been outside enjoying the sunshine. Freddie and I have been busy in the garden watering plants, playing on the swing and looking for bugs. I can't wait to see you at some point soon and hear all about what you have been up to at home!

HAVE A GREAT DAY!

RECEPTION

Hello Class 1 ,How are you all doing? I really hope that you are having lots of fun outside in the sunshine. The weather is gorgeous and it looks like it will be fine all of half term week. I think I will be able to do lots of work in my garden. Or maybe just sit out in the sunshine and read some books. I hope you are all still reading every day. Remember how important that is!! I bet you will have grown so much over these last few months. I will hardly be able to recognise you when I see you again!

I can't wait to see my Class 1 family.

Lots of love from Mrs Spratt

As we end week 9 in lockdown, it's almost like we have all adapted to a very different way of life, and our daily and weekly routines are very different to what they once were. It's still not clear when you'll all be returning to school but please know, you are still very missed and I miss seeing your smiling faces and just wanted to say I hope you have a lovely half term stay safe until we meet again! Mrs Luke

Hello Class1

**I hope you are all keeping safe and well!
We have had some lovely weather and I hope you and your family have made the most of it.**

Next week is the Half Term holidays, yey!

**Please have a good rest as you have been working so hard at home.
We have loved talking to you all on the phone and receiving your emails.**

**We miss you and can't wait to see you soon, when it's safe to do so.
Love from Mrs Penfold**

Hello Class 3

I really thought we would have all been back together by now but it seems our home learning adventure will continue for a little while longer. I am working on a new 'home learning project' for you and it will be ready to collect after the half term holidays. Let's take some time off over the half term, you have all worked really hard and I have been so impressed with your efforts. I plan to spend my time off having a camping holiday in the back garden with my family. I miss you all so much and can't wait to see you all again. Until then stay happy, healthy and most importantly...HAVE FUN!!

Hello Class 2

I am so pleased to see how hard you are all working at home, thank you so much for all of your messages and pictures. I don't think I have given you so many Silver cards before! You are keeping Mrs Maitland very busy sending out certificates, so congratulations to anyone who has had one for their reading or Lexia. What we all need now is a little break, as next week is half term. We shall all keep our fingers crossed that the weather continues to stay fine and dry. I will be spending the time catching up with reading some of my favourite books and I have discovered that I really quite enjoy making scones and cakes! One of my favourite celebrations in the Church's year is at the end of the holiday - the feast of Pentecost. It was when the Apostles were filled with the Holy Spirit and went out to spread God's love to the whole world. Maybe that is something you can try and do for your family and friends this holiday.

Keep safe and well,
Mrs Holtham

*We hope everyone has a happy
and safe half term. Please love
and take care of your families,
we miss you all and think about
you all a lot.*

Take care

Mrs Daynes and Mrs Brady
