Class 3	8:45-8:55 Main entrance via office	3:25 Main entrance via office
Class 4	8:45-8:55 Front door by prayer garden	3:25 Front door by prayer garden

Outbreak control measures are already in place within our school:

- No whole school gatherings (Liturgical prayer and/or assembly)
- Separate break-times
- No mixing of classes
- Face coverings worn by staff within school in communal areas
- Additional cleaning measures
- No visits unless these are essential to pupil welfare and/or development
- No visitors to school unless it is for essential work relating to our pupils and/or building work

As you are aware, these are being kept under review.

New and further measures in order to mitigate the risk of transmission across our school – until further notice we will:

- Cancel morning and after school clubs temporarily (including booster sessions)
- Stagger start/end times (see attached timetable)
- Identify different entry/egress points for different classes
- All parents/carers should leave the premises promptly after drop off/collection and maintain social distancing wherever possible
- Any contact with school should be made via telephone and/or email in the first instance

All new measures are temporary and will be reviewed throughout the week. New, updated advice will be shared with parents/carers.
